Dear Friends,

We would like to invite you to the biggest international tournament in karate for youth and adults, which is held in the Czech Republic.

The tournament, which launched its own history at the turn of the millennium in 2000, found in the last years of European and world elite and became highly sought after preparatory tournament for many federations.

We are very happy to welcome family karate from around the world that will host one of the great sports towns in the Czech Republic. City of Pilsen trained many famous athletes and stars not only karate, but from a very wide field of sports.

We are proud that the tournament has been held for more than the twentieth time, when this year the city of Pilsen. We invite all team in this hard time – Covid -19. Now is time for celebration of sport and culture, and of course a good drink is our biggest draw for all participants in this tournament.

Once again, therefore we would like to invite you to this event and look forward to your participation.

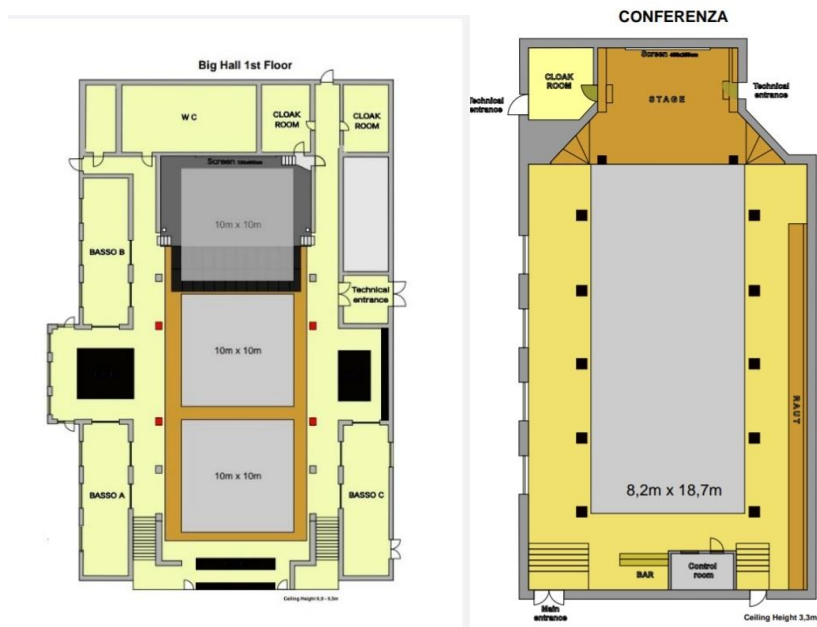

Sincerely,

Marek Kubin  
Chairman of Organizing committee

### Tournament system

[karate@karatecup.cz](mailto:karate@karatecup.cz)

[www.karatecup.cz](http://www.karatecup.cz)

[www.sportdata.org](http://www.sportdata.org)

All categories will take place in two parts:

1. Group phase (always at least 4-member group system round robin)
2. Elimination phase (always the first or the first two of the group create a quarterfinals and from there in an elimination way with a replay of two third places until the final)

### Group stage - kata

Each participant will perform kata in a two-round system where both results are summed and the order is determined by the simple sum of both rounds. In case of compliance, the WKF rules are followed.

### Group stage – kumite

Each match will be evaluated for a victory on points 3 points, a victory on Senshu (score is the same) 2 points, a loss on Senshu (score is the same) or a hikiwake 1 point, a loss of 0 points.

Progress is a group victory. In case of agreement, the WKF rules for the round robin competition are followed.

The elimination phase is determined by the system for Premier League tournaments, where the number of quarterfinalists will not be filled, it will be forwarded in this case as a free place.

For the kata competition, two groups will be created for selection for medals and then there will be a medal match phase. A maximum of 4 katas is required for the tournament

Deployment to the groups will be according to the possibilities and ranking of the WKF and further according to the representation of the states, in order to ensure the greatest possible objectivity of the tournament...
